

A DECLARATION OF JOINT WORKING BETWEEN SALFORD ROYAL NHS FOUNDATION TRUST AND ASTRAZENECA UK LTD

Salford Royal NHS Foundation Trust and AstraZeneca UK Ltd are engaged in a Joint Working Project entitled “*Revolutionising Outpatient Clinic Experience (RevOCE)*”.

The aims and objectives of the project are:

- To enhance support for patients across Greater Manchester living with renal disease, cardiovascular disease and diabetes
- **Project 1) Development of a CKD Dashboard**
 - to develop an integrated care dashboard using Local Health and Care Records Exemplars to facilitate risk stratification, proactive management and appropriate referral to tertiary services enabling improved patient management
 - The dashboard will allow segmentation of populations to deliver earlier intervention, identification and risk assessment of patients
- **Project 2) Multi-morbidity Clinic**
 - will identify those patients at highest risk, to attend a multi-morbidity tertiary care led clinic

The expected patient benefits include:

- Improved patient experience (e.g. reduction in hospital visits)
- Improved confidence regarding their condition and medications
- More engagement and ownership of their care

The project will run from December 2020 until November 2022. Both parties have contributed resources to the initiative.
