

A DECLARATION OF JOINT WORKING  
BETWEEN  
*AstraZeneca UK Ltd*  
AND  
*NHS Greater Glasgow and Clyde*  
& *Golden Jubilee National Hospital*

NHS Greater Glasgow and Clyde, Golden Jubilee National Hospital and AstraZeneca are engaged in a Joint Working project called “ACS audit – MINAP Eclipse project”

This project will run from December 2013 to June 2015 and both parties have contributed resources for this initiative.

The aims of this joint working project are to:

- Complete a cardiac audit focusing upon the delivery of 1 year’s Acute Coronary Syndrome (ACS) services managed across NHSGGC & the GJNH.
- Establish a robust legacy of cardiac service audit between provider parties
- Assess over 40 ACS service metrics versus comparator data for NHS England localities provided by AZ audit tool aligned to ongoing MINAP registry inputs.
- Project steering committee to recommend focus for service adjustment or redesign and local delivery plan
